St. Michael's is a Parish Family of Orthodox Christians
Serving the Lord in the Triple Cities Since 1904

Glory to Jesus Christ!

On behalf of our parish family here at St. Michael's and the Camp Nazareth Classic Committee, we are pleased to announce the **1st Annual Camp Nazareth Classic Golf Tournament**. It will take place at the 4-Star 18 hole Championship Course at *Traditions at the Glen Resort*, Johnson City, NY on Sunday, June 10. A 1 PM shotgun start is scheduled for the Captain and Crew event. A delicious Awards Banquet will follow at St. Michael's Recreation Center catered by *Orlando's* with sides of St. Michael's renown holubki. Please mark the date on your calendar for a day of golf, fun and fellowship. Mixed and ladies teams are welcome.

The proceeds from the tournament will be used to support and develop the Science and Nature Camp program at Camp Nazareth, which takes place this summer from August 5-11th. This program, inaugurated by His Grace Bishop Gregory in 2017, provides incredible experiences in nature for children between the ages of 8-18. Presentations and activities are led by the Carnegie Science Center, the Carnegie Museum of Natural History, the Jennings Environmental Center, as well as by local high school teachers and college professors. Without you, the golfer, the advertiser or the donor, this noble undertaking would be impossible.

The Science and Nature Camp program is open to all of the children of our area churches as well as all of our diocesan parishes. Students will gain insights into Astronomy, Biology, Earth Science, Geology, Meteorology and much more. They will utilize the newly acquired microscopes and telescopes and explore the trails, waterfalls, streams, geography and night skies of Camp Nazareth. Details and registration information for this program are available at <http://www.campnazareth.org/science-camp>.

Enclosed are our registration forms for both hole sponsorship teams and team participation. We are looking forward to seeing you on June 10th at Traditions at the Glen for an incredible golfing outing for a great cause.

If you plan on arriving Saturday, please contact us. We will be happy to provide information regarding local accommodations.

We look forward to your support.

Sincerely in Christ,

Fr. James Dutko
